GB This is a universal set of screws, which is used for various models of our showercubicles. It can occur that you will have more parts in this packet than you need for the assembly of your model. Consequently, if you have parts left, it does not mean that you have made a mistake during assembly. We thank you for your understanding.

F Le sachet de visserie universel est composé our différents types de pare-douches. Les éventuelles pièces restantes ne proviennent donc pas d'une erreur de montage de votre part. Nous comptons sur votre compréhension.

NL Dit universele schroevenpakket wordt voor diverse types douchecabines gebruikt. Eventueel overtollige onderdelen, betekent niet dat er een fout zou zijn gemaakt bij de assemblage. Wij vragen hiervoor uw begrip.
